RE: Archival Documents

DATE: May 1, 2010

Enclosed herewith are several documents pertaining to the ongoing request for archival material from the Danish National Archives. Said research material pertains to the 1878 Fireburn, the findings expected to be gleaned therefrom to be used for legislation.

Senator Wayne James will provide supplemental information for review and analysis by the Office of the Inspector General, U. S. Department of the Interior.

Please do not hesitate to contact me if additional information is needed.
